HEALTH MINISTRY

Health Ministry

MISSION

As Jesus has called us to care, Health Ministry is committed to a healing mission that integrates faith and health by promoting wholeness of body, mind and spirit.

Vision

Promotion of holistic health of body, mind and spirit:

- Plan activities and events to improve the overall health of our church and community.
- Strive for balance in all aspects of our lives; physical, emotional, intellectual, social, vocational, spiritual, environmental, and financial.

Support for those in need:

- Welcome the community to a health fair providing free screenings, health resources and flu shots.
- Minister to congregation and community members through prayer, visitation, and special education programs.

Ministry of Healing

Reflect the Love of Christ by:

Reaching

Mark 6:13 “They cast out many demons, and anointed with oil many who were sick and cured them.”

Loving

Romans 8:28 “And we know that in all things God works for the good of those who love him, who have been called according to his purpose.”

Caring

Galatians 6:2 “Bear one another’s burdens, in this way you will fulfill the law of Christ.”

The Health Ministry at Resurrection Lutheran Church is an essential part of our church, reaching out to people and assisting with health related concerns.

Our Health Ministry Team assists all individuals to value wellness, through education, counseling, and prayer.

We are committed to following Christ’s call to care for one another: emphasizing holistic health of body, mind, and spirit.
