Bringing the Faith Home

Dear Parents,

He is risen! Alleluia! For the next two weeks we will be trying to experience the joy and excitement that the disciples felt during the weeks following Christ's resurrection. It is almost incomprehensible for us to know the "joy of their disbelief". Yes, it must have seemed too good to be true!

Don't forget Daddy's Night this Wednesday, April 25, at 7:00 PM in the Fellowship Hall (known as the "Big Room" to the kids). If Dad cannot attend, a grandpa, uncle, or special male that plays an important role in your child's life is welcome to be a substitute.

Beach Week is coming April 30 - May 4! Our classroom will be transformed into your favorite beachside resort! All our activities that week will be beach and ocean themes. Sea creatures will be hanging out with us all week long! Who needs to spend gas money for the beach when we have it all in our classroom?!

All Monkeys are invited to a special Beach Day on May 4. Wear your swimming suit and bring your favorite beach towel and accessories! (Don't forget the sunscreen!) I will have my favorite Beach Boy tunes going. (Nothing like groovin' to some good old surfer tunes on Beach Day!) Lunch will be provided. Our beach menu includes: ocean front hot dogs, sea salted potato chips, surfside baby carrots, sunshine lemonade, and sea spray popsicles.

Don't forget **Class Picture Days** this coming Thurs. & Fri. (April 26 & 27)

HELP! Moses will need a summer home (or perhaps more than one) so if anyone has missed an opportunity to gerbil sit, please let me know.

Janie
